ABOUT US

Hello, my Name is Michael Dragaschnig.

In 2014, I established my company, Arbo Arto. It started as a way to photograph local surfers and connect to the sea but has since grown into artist expressions of several mediums. Whether wood sculptures, screen printing my graphic designs, Portugal and the connection to nature has been an oasis of inspiration to me. With the arrival of our first son in 2020 I can proudly say we became a small family business.

Arbo Arto presents a high quality of products inspired by the ocean.
